EDUCATION

B.E/B.Tech, Computer Science and Engineering

St Peter's institute of higher education and research, Chennai

08/2019 - 05/2023

CGPA: 8.5/10

X11 (Board of Intermediate Education, Andhra Pradesh)

Narayana Junior College, Vijayawada

06/2016 - 04/2017

CGPA: 9.94/10

PROJECTS

Watcho & TimesPlay OTT Platforms (Software Testing Experience) (08/2023 - 01/2024)

- Performed comprehensive functional, performance, and user experience (UX) testing across Watcho OTT platform and TimesPlay, a news-entertainment platform.
- Utilized industry-standard tools (Postman, CMS, PostgreSQL) and Agile methodologies for test planning, designing test cases, end-to-end testing, regression testing, UAT testing, API testing and Database testing
- Ensured application integrity and performance across diverse devices and user scenarios through meticulous testing practices (load testing, regression testing, sanity testing, compatibility testing).

WORK EXPERIENCE

Internship

Yupp video Services India Pvt Ltd

08/2023 - 01/2024

Hyderabad, India

Trainee Test Engineer

Achievements/Tasks

- Supported the testing process for 5+ web and mobile applications (Watcho, Timesplay, Herogotv, MYTV, Reeldrama) through manual testing, demonstrating basic knowledge of web and mobile app technology.
- Enhanced existing test scripts for efficiency by incorporating new functionalities based on requested needs by reducing test execution time by 10%.
- Analyzed test results from multiple projects, identifying and reporting 20-30 critical issues.
- Collaborated with developers on resolving technical issues identified during testing for 5 to 6 projects resulting in a 30% improvement in bug resolution time
- Agile (Scrum) methodology adept; actively participated in Scrum ceremonies (e.g., daily stand-ups, sprint planning) to stay aligned with project goals.

SKILLS

Python

HTML/CSS

API Testing: Postman

Database Testing

Database management Tool: SQL

Test Plans/Test Cases/Test reports

Automation testing tool: Selenium

Test Management tool: JIRA

SDLC/STLC

SOFT SKILLS

Clear and concise written and verbal communication, ensuring seamless collaboration with developers and other teams throughout the software development lifecycle.

Proven ability to identify, troubleshoot, and document software issues.

Proactive in staying up-to-date on emerging testing methodologies and tools to continuously enhance testing processes.

Supported senior testers by assisting with the configuration of 2 test environments, ensuring a smooth testing process for various projects.

CERTIFICATES

Internship certificate with YVS (08/2023 - 01/2024)

Python course certificate provided by IBM (2023)

Machine Learning - Internshala (2022)

Core Java - internshala (2021)
